

LED Amenity

- Long service Life (upto 50,000hrs)
- Energy Saving
- Reduced Maintenance
- Sensor versions available
- Integral Emergency option
- Polycarbonate Construction

Wall mounted LED Amenity fitting, vandal resistant polycarbonate construction fitted with 10Watts of high output LED technology on thermally managed highly polished aluminium tray. Low power usage for good lighting level, ideally suited to building perimeters and walkways can be built in several different variants and bespoke combinations including multiple light sources and sensor controls.

SPECIFICATION

IP65 Polycarbonate Amenity fitting with integral thermally managed high output LED's with optional microwave sensing and integral 3hr maintained emergency, as Preslite LDDAC

ORDER CODES

6w	600Lm LED Amenity Fitting	LDDAC6
6w	600Lm LED Amenity Fitting c/w integral emergency	LDDAC6/EML
6w	600Lm LED Amenity Fitting c/w Microwave sensor	LDDAC6/CDDMS
10w	1000Lm LED Amenity Fitting	LDDAC10
10w	1000Lm LED Amenity Fitting c/w integral emergency	LDDAC10/EML
10w	1000Lm LED Amenity Fitting c/w Microwave Sensor	LDDAC10/CDDMS

Bespoke Versions are available please contact our design department for further details.
